

BIO-DOX

HYGIENIC HAND SOAP

- *Contains skin conditioners - mild in use*
- *Kills 99.9% of Bacteria*
- *Non-tainting - suitable for food environments*

Bio-Dox is a water based hygienic hand soap. Specially formulated for regular use throughout the day.

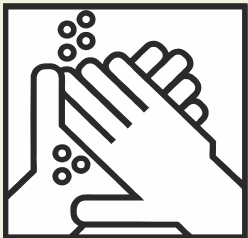

USES

Particularly suitable for use in establishments where hand hygiene is a priority, e.g. hospitals, care homes, clinics, etc. As a non-tainting and odourless product, Bio-Dox is also ideal for use in food environments.

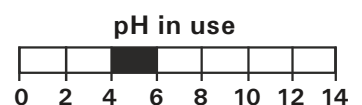

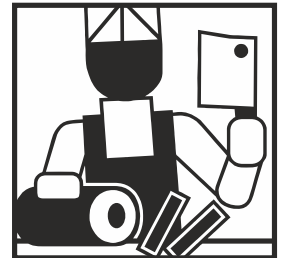

Bio-Dox can be used through either cartridge dispensers, bulk-fill dispensers or pump dispensers fitted to a free-standing bottle.

DIRECTIONS

Wet hands and apply Bio-Dox.
Rub into the skin, ensuring contact with the entire surface of the hand and wrist.
Rinse away with clean water and dry hands thoroughly.
N.B. Do not mix with other hand soap.
